

# IX Symposium

**European Association of Acarologists**

Code: W343022699

Seat:

Montpellier SupAgro, 2, place Pierre Viala  
34060 Montpellier, France

---

Dear colleagues,

Many limitations on the free circulation of people are coming during these last weeks owing to the well-known worldwide sanitary warning. We understand the concerns about travelling and we can follow the instructions coming from the national authorities and wait that a fast and positive solution could be found.

In this situation of uncertainty, we believe that **it should be wise to postpone the deadline for the early bird registration and for Abstract submission to April 30, 2020.**
